CAROLYN KEGLEY

title

Carolyn was born in Maryland in 1990 to a Vietnamese mother and a Scottish Irish father. She has lived in Maryland all of her life, attending Magruder High School, and currently residing in Potomac with her boyfriend and their 3 dogs, Bison, Comet and Remy.

Carolyn has worked in food for as long as she can remember. She comes to The Market at River Falls having had the experience of working in the kitchens at Woodmont Grill, Ping Pong Dim Sum and P.F. Chang's, where she was in charge of making the dumplings and the spring rolls. She also has experience making pastries.

When not eating food from the Market, Carolyn favors the burgers at 5 Guys and the soup from Pho. She is an outdoor girl who likes to go biking and hiking on her days off and in the evenings she likes to watch UFC matches on TV.

While working at the Market, Carolyn, and her best friend Arlene, are almost inseparable. In fact, it was Arlene who gave Carolyn the nickname 'Ninja' because of her cat like reflexes and the speed with which she greets a customer as soon as they walk in.
