MIRIAM SELVAS
Cook/Food Prep

Miriam was born in Chiapas, Mexico and came to this country almost 25 years ago. She began working at the Market on January 4th, 2001 and has been a loyal, trustworthy employee ever since.

Miriam began by making the Crab Cakes but over the years has learned to make everything we serve. On a given day you might find her making quesadillas, empanadas, burritos, fried chicken, stuffed baked potatoes, grilled shrimp or grilled vegetables.

Miriam lives in Rockville with her 3 children and her niece. She enjoys spending time with her children, cooking at home and is active in her church. Along with a couple of friends she runs a side business hauling trash. On occasion, she even drives the dump truck!
