ARLINE SELVAS
Customer Service

Arline Selvas comes to us from Chiapas, Mexico, emigrating in 2005. In 2009 Arline graduated from John F. Kennedy High School in Silver Spring and began working at the Market in September 2016. She can also be found greeting and seating customers at Renato's on weekend evenings.

Arline's favorite pastimes are singing and dancing, and reading all things having to do with nature, especially wild animals. Her best friend Carolyn also works here at the Market and her favorite Market food is the Chicken Fluata, although she is quite partial to the pizza at Renato's. Arline lives in Montgomery Village with her friend, a dog and a cat.
